ABOUT

I am a passionate developer skilled in both front-end and back-end development. I have successfully participated in various projects, always delivering high-quality work. I enjoy working in teams and have collaborated on several successful projects. I approach every task with responsibility and dedication, constantly striving to improve my skills and stay updated with new technologies. Additionally, I have had the opportunity to participate in one of Europe's most prestigious hackathons, JunctionX, where I demonstrated my problem-solving skills and creativity.

WORK EXPERIENCE

Smart Business LLC   Apr 2024 - Aug 2024
